*The Harmon Corner spot, created in partnership with Nick Jonas and John Varvatos, offers a variety of exciting, Instagram-friendly tequila drinks to go*

**LAS VEGAS – JULY 11, 2022** – Villa One™ Tequila Gardens, a stylish hospitality concept created in partnership with Nick Jonas and John Varvatos, has introduced a pop-up tequila bar this week in the heart of the Las Vegas Strip at Harmon Retail Corner. The unique, walk-up style tequila garden offers a variety of impressive drinks, made with Villa One.

“Creating Villa One together with my good friend and business partner, Nick Jonas, and the Villa One team has been a highlight of my career. I am so excited to bring the Villa One brand to life in this beautiful space that allows more people to experience its ethos of living ‘Life As It Should Be,’” shares John Varvatos.

Prepare to be wowed by the Cantarito - the cocktail bar’s specialty - a unique spin on the classic Mexican tequila cocktail made in-house by hand with Villa One Tequila, fresh, hand squeezed lemon, lime, orange and grapefruit juice, with a hint of rock salt, grapefruit soda and served in a ceramic vessel. Try your own with an 18 oz option, or share the fun and fruity drink with a 34 oz vessel. Guests can take the authentic vessels, which are hand-made in Mexico, with them as they explore the Vegas strip.

Guests can also enjoy a variety of tequila drinks, including a Classic Margarita, Tequila Sunrise Smash, Beach Breeze, Tropical Mango Margarita, Strawberry Cadillac Margarita and Pretty in Pink Froze. All of these cocktails, which are available frozen or on the rocks, are served in both 20 oz and 32 oz to-go cups so you can bring them with you as you take in Sin City.

Nick and John plan to open a full service Villa One™ Tequila Garden, with a menu of fresh, flavorful Mexican cuisine in Las Vegas in the coming year, as well as locations in San Diego’s Theatre Box at 701 Fifth Ave., Miami, New York City, and Los Angeles.

Villa One™ Tequila Gardens pop up bar is located in Harmon Retail Corner at 3717 S Las Vegas Blvd. For more information visit [www.villaonetequilagardens.com](http://www.villaonetequilagardens.com), or on Instagram, [@VillaOneTequilaGardens](https://www.instagram.com/VillaOneTequilaGardens).
